Dear Friends,

It is a pleasure to extend my warmest wishes as you gather to celebrate the 31st anniversary of the Filipino American Association of Central New Jersey (FAACNJ). I am especially delighted to congratulate Dr. Myrna Soriano on receiving the 2018 Humanitarian and Lifetime Achievement Award in recognition of her steadfast leadership and impressive record of service.

Throughout its many years of service, FAACNJ has been guided by the conviction that we must take care of each other. Your organization has provided a place for connection and togetherness for countless individuals. Through outreach, educational programs, and charitable activities, FAACNJ continues to serve as a pillar of strength and support for members of the Filipino American community across our state.

As you look toward the future, I am honored to send my congratulations and best wishes for your continued success.

Sincerely,
